**MOUNTAINSIDE HOSPITAL BUILDING.**  
The construction of the new building for the Mountainside Hospital was begun in September and is making rapid progress. The excellent work the hospital is doing, and the urgent need for this extension, have already been set forth in these columns.

The hospital, though situated in Montclair, serves also Bloomfield, Glen Ridge, Verona and Caldwell. In all these communities, including more than 30,000 people, it is the only institution where the sick and injured can be cared for. The existence of a well-equipped hospital is an assurance to every citizen in case of accident or illness, and it would be to our interest to maintain it for this reason alone. Still stronger than the ties of interest is that of sympathy, with the suffering which thus, and only thus, it is in our power to alleviate. The poor and helpless among us, wounded or disabled by sickness, must be cared for in the Mountainside Hospital, or must go unhelped.

This benevolent charity depends for its maintenance upon the voluntary contributions of those who have compassion upon their fellow-men. Every refusal to contribute means a restriction of relief, a sufferer left by the wayside. In the catholic spirit of the Good Samaritan, the aid of every member of our community should be extended to this noble work.

The necessary cost of the new construction, alterations and equipments will be about fifty thousand dollars. A little more than half of this amount is already subscribed; but it will be an injury to the hospital and a discredit to our community if the work is not completed free of debt.

Subscriptions may be sent to any member of the Board of Governors, or to the Treasurer. William H. Power, No. 176 Upper Mountain avenue, Montclair. Future subscriptions to the building fund will be acknowledged in these columns. A list of contributions thus far received is appended:

On hand, \$5,811.89; legacy of Dr. J. W. Pinkham, \$9,106.31; Mrs. J. W. Pinkham, \$1,000; legacy of William Cooper, \$8,500; Paul Babcock, \$1,000; C. L. Barker, \$200; Dr. G. S. New Railroad Line.

One of the great trunk railroad lines between the Atlantic and the Pacific coast may yet pass directly through this town. The New York Sun of November 12 published a piece of railroad news seeming to indicate that such a thing is possible. The Sun said:

"A new railroad line from Pittsburgh to New York is being surveyed. The route is near a bee line as possible, and is seventy-three miles shorter than that of the Pennsylvania Railroad. The engineering corps is pushing its way through Armstrong, Indiana, Clearfield, Cambria, Blair and Centre counties. It is impossible to learn who is back of the project, but it is known that representatives of the promoters drove over the proposed route twice last summer. President Joseph Ramsey, Jr., denies that it is a Wabash project.

"The surveying corps is now at work in the southern part of Centre county, in the vicinity of Ingley and Coburn. The same corps of engineers was recently engaged in surveying the line through the southern part of Clearfield and the northern part of Cambria county. Tyrone will be one of the objective points east, whence the new line follows the route of the Lewisburg and Tyrone branch of the Pennsylvania, only having a more direct line.

"The new road will leave the route of the Lewisburg and Tyrone at or near Parade, Union county, following Pennsylvania Creek eastwardly and reaching Sunbury. It will pass north of Shamokin, thence through Columbia county, touching Newkirk, Schuylkill county, passing the Black Mountain ridge at Lehigh Gap on the line between Carbon and Lehigh counties, and thence going through Northampton county to the Delaware river, opposite Belvidere, N. J. It will cross Warren, Morris and Essex counties, N. J."

Annual Poultry Show.

At a meeting held by the Fancier's and Poultry Association of New Jersey Monday night in Newark it was announced that 2,000 entries had been received for the annual exhibit, which opens November 30. The list, it was stated, exceeded that of last year by about 500 entries.

## A NOVEL INTRODUCTION.

Dr. Howard Co. Make a Special Price. The Dr. Howard Company have entered into an arrangement with W. W. Keyler's drug store, by which a special introductory offer will be made of 25 cents on the 50 cent size of their celebrated specific for the cure of constipation and dyspepsia.

This medicine is a new discovery for the cure of all diseases of the stomach and bowels. It not only gives quick relief; it makes permanent cures.

So remarkably successful has Dr. Howard's specific been in curing constipation and dyspepsia, and all forms of liver trouble, that W. W. Keyler will return the price paid in every case where it does not give relief.

The old-fashioned idea of dosing with mineral waters, cathartic-pills or harsh purgatives will soon be a thing of the past. The best physicians are prescribing Dr. Howard's specific, both because it is so remarkable a medicine and on account of the small dose that is needed.

W. W. Keyler has been able to secure only a limited supply, as everyone who wishes to be cured of dyspepsia or constipation should call upon him at once or send him 25 cents by mail, and get 60 doses of the best medicine ever made, on this special half price introductory offer, with his personal guarantees to refund the money if the specific does not cure.—Advt.

Exempt Firemen's Meeting.

The annual meeting of the Exempt Firemen's Association was held Tuesday night in Ex-Ex truck house. The following officers were elected for the ensuing year: President, Wm. W. Oakes; First, Vice-President, John Schwab; Second Vice-President, W. B. Cory; Treasurer, Wm. L. Johnson; Financial Secretary, Wm. B. Dawson; Recording Secretary, Wm. B. Baab; Trustees—Charles A. Keyler, Herman Eichhorn, Archie Heath and James Cockefair; Standing Committee—Augustus Abby, Samuel Westervelt and Frank Wisner; Representatives to the Relief Association—Wm. W. Oakes and M. N. Higgins; Auditing Committee—Charles H. Johnson, W. B. Cory and John Schwab.

The Treasurer's report showed the finances of the association in good shape. It was decided that in the way of social enjoyment and for the purpose of bringing the members together, that a smoker be held in the near future, and Charles H. Johnson, Wm. B. Baab and Wm. Murrah were appointed a committee to arrange for it.

The recent decision of the Supreme Court declaring unconstitutional the \$500 exemption from taxation hitherto enjoyed by firemen was an important subject of discussion, and T. Howell Johnson, W. W. Schouler and W. B. Cory were appointed a committee to draw up a resolution expressing the sentiment of the association in protesting against the removal of the exemption, and it was ordered that the resolutions when prepared should be spread upon the minutes of the local association, and a copy sent to President Barnes of the State Association.

The Tax Exemption Problem.

It is indeed noteworthy that four of the ablest lawyers in the State, at that time members of the Legislature, voted

against the bill to exempt soldiers, firemen, etc., from taxation when it came up for final passage, about seventeen years ago. William D. Edwards was the Democratic Senator from Hudson County, and John W. Griggs was the Republican Senator from Passaic County. They claimed the measure was unconstitutional because it was class legislation.
